

*POMS 2020 – Thirty-First Annual Conference, Minneapolis, MN, U.S.A.
April 23 – 27, 2020
Production and Operations Management Society*

Hyatt Regency Minneapolis
1300 Nicollet Mall, Minneapolis, MN
<https://www.hyatt.com/en-US/hotel/minnesota/hyatt-regency-minneapolis/msprm>

Theme: Sustainable innovation and responsible analytics as a force for good

About the Conference

Production and Operations Management Society (POMS) is an international professional organization representing the interests of production and operations management (POM) professionals from around the world. The purposes of the Society are:

- To extend and integrate knowledge that contributes to the improved understanding and practice of POM;
- To disseminate information on POM to managers, scientists, educators, students, public and private organizations, national and local governments, and the general public; and
- To promote the improvement of POM and its teaching in public and private manufacturing and service organizations throughout the world.

The society's web page may be found at: <http://www.poms.org/>

The annual conference provides an opportunity for faculty, doctoral students and practitioners to share knowledge and insights through research presentations, tutorials, workshops and panel discussions.

Plenary Speakers

We are in the process of lining up an exciting set of plenary speakers for the annual conference. Please stay tuned for information on the plenary speakers.

About our Venue in Minneapolis

Our conference hotel, The Hyatt Regency, is located in the heart of Minneapolis downtown. It is surrounded by ethnic restaurants, fun shopping, and lively entertainment venues (such as First Avenue, Prince's Club). There is something for everyone. For the nature buff, there are urban parks, lakes, and walking trails. For the sports fan, both the US Stadium and Target Center, are in walking distance; and for the history buff, there is interesting architecture all around.

Who May Participate

Researchers working in the area of operations management (OM) from academia, government, industry and research establishments as well as doctoral students are invited to submit research papers, proposals for symposia, tutorials, and/or workshops on current topics in OM.

Submission Information

Interested participants are invited to submit abstracts of continuous text (no bullet points, no math/Greek symbols) no longer than 50 words describing their presentation. The title should be no longer than 15 words. Submission should include information about all co-authors including full name, organization, and contact email. The system will also ask to identify the name of the paper presenter. One person can present at most three papers. See important dates and frequently asked questions on the conference website.

Conference Chairs

Scott Webster, Arizona State University, General Chair, scott.webster@asu.edu

Burak Kazaz, Syracuse University, Program Chair, bkazaz@syr.edu

Hongmin Li, Arizona State University, Program Chair, hongmin.li@asu.edu

Rachna Shah, University of Minnesota, Program Chair, shahx024@umn.edu

Contact Information

For any questions, please contact one of the conference chairs or Sushil Gupta, POMS Executive Director at pomsmeeting@gmail.com.

The conference website will be available to submit abstracts† on
September 23, 2019

The last date to submit abstracts is
December 31, 2019

† Please note that there will be no full-length papers accepted this year.
